Capability Narrative

Enilram Creative Solutions empowers entrepreneurs and organizations through leadership development, business growth coaching, and advisory services. Leveraging 10+ years of expertise, we propel startups and companies through annual small business workshops and ongoing coaching programs focused on strategy, branding, productivity, and expansion.

We build leadership and management capability via assessments, training, and executive coaching to drive organizational excellence. With a commitment to inclusion and community-building, we provide underrepresented groups access to business education and networks. Our customized, multifaceted services cultivate entrepreneurial and organizational growth. We are the ideal partner for transformational success.

Core Competencies

- **Training Program Development:** We have extensive experience developing customized training programs, workshops, courses, and custom curriculum for diverse audiences. This includes researching needs, designing curriculum, creating presentations and workbooks, and facilitating engaging training sessions, both online and in-person.
- **Instructional Design:** Our instructional design services focus on developing effective and innovative learning solutions, including e-learning, blended learning, and microlearning. We utilize proven instructional design models, best practices, and emerging technologies such as AI to create compelling and results-driven training.
- **Professional Development:** We provide professional development coaching and resources to equip entrepreneurs and business leaders with the skills they need to succeed. Areas of expertise include leadership development, executive coaching, skill-building, and career advancement strategies.
- **Business Coaching:** Our business coaching services help entrepreneurs bring their visions to life. We offer step-by-step guidance in areas like business planning, marketing, operations, growth strategies, and more.
- **Leadership and Business Development:** We help organizations build leadership capability and drive business growth through advisory services, capability-building programs, and coaching. Our leadership draws from committee and board-level experience with organizations like the Broward Black Chamber of Commerce.
- **Technology Integration:** We specialize in integrating innovative technologies such as Artificial Intelligence into learning solutions to drive better outcomes. This includes using data and analytics to optimize training and coaching engagements.
- **Custom Curriculum Development:** We develop customized curriculum and training programs tailored to each client's unique needs and goals. Our instructional design expertise allows us to create targeted learning solutions.
